

CyXcel DORA Compliance Services

You Evolve, We Resolve

In-depth gap analysis and resolution to supporting your journey to compliance

Why CyXcel?

At CyXcel we solve challenges and unlock opportunities for everyone in the digital world. We see possibilities others cannot, bringing together expertise in consulting, cybersecurity, and crisis management with geopolitical foresight – all in one place.

In an increasingly regulated global economy, cyber security legislation adherence has become a point of imperative importance. CyXcel Digital Operational Resilience Act (DORA) Compliance Services offer a full contingent of legal, procurement, technical and resourcing solutions to help you achieve legislative compliance.

Whether you are dealing with cyber, data protection, privacy or procurement, risks across a complex supply chain, oversight of your critical third-parties, policy development and optimisation, contractual risk, digital resilience and risk transfer or poor visibility and audit concerns, we have you covered.

What differentiates us

In-depth gap analysis against all required controls

Seamless integration with cybersecurity

Driven by DORA legislative obligations

Backed by cross-border local legal expertise across the EU
